Bishop Paiute Tribe Re-Opening Plans Under Development

Taking a measured approach to public interaction

May 7th, 2020 - As the pandemic stabilizes, the Bishop Paiute Tribe has planned a measured and strategic approach to allow employees to return to work safely to prevent a resurgence of the virus. This must be done in the most effective, efficient, and risk-averse way possible to balance the return of governmental and economic stability, while simultaneously continuing to keep employees and tribal members safe by controlling the spread of the disease.

The tribe's re-opening plans are currently being crafted at the departmental, tribal, and public levels, and will be announced as they are developed and finalized.

Updates will be available to the public as they occur on KBPT-LP 96.1fm and on the Tribe's website and facebook page.

The Bishop Paiute Tribe is a federally recognized Indian tribe located on its 879 acre Bishop Paiute Reservation in Inyo County, California. The Reservation was formed under Congressional Act 5299, P.L. No. 43 of April 20, 1937. The Tribe is committed to the well being of its people. For more information please contact the Bishop Paiute Tribe at (760) 873-3584.
