CALIFORNIA DEPARTMENT OF PUBLIC HEALTH ORDERS ADDITIONAL RESTRICTIONS TO SLOW TRANSMISSION OF COVID-19

July 13, 2020 – Effective immediately, Governor Gavin Newsom and the California Department of Public Health have ordered ALL counties (including Mono) to close indoor operations in the following sectors:

- Dine-in restaurants
- Wineries and tasting rooms
- Movie theaters
- Family entertainment centers (for example: bowling alleys, miniature golf, batting cages and arcades)
- Zoos and museums
- Cardrooms

Additionally, bars, brewpubs, breweries, and pubs must close all operations both indoor and outdoor statewide, unless they are offering sit-down, outdoor dine-in meals. Alcohol can only be sold in the same transaction as a meal.

Counties that have remained on the County Monitoring List for three consecutive days will be required to shut down the following industries or activities unless they can be modified to operate outside or by pick-up:

- Fitness centers
- Worship services
- Protests
- Offices for non-essential sectors

- Personal care services, like nail salons, body waxing and tattoo parlors
- Hair salons and barbershops
- Malls

Mono County is not currently on the State's County Monitoring List; therefore, these additional sector closures do not apply to Mono County at this time.

Today's order is effective immediately and the closures will remain in effect until the State Public Health Officer determines it is appropriate to modify the order based on public health conditions.
